8 Risk Statement

- 8.1 RRS 3 states: ‘The responsibility for a boat’s decision to participate in a race or to continue to race is hers alone.’ By participating in this event each competitor agrees and acknowledges that sailing is a potentially dangerous activity with inherent risks. These risks include strong winds and rough seas, sudden changes in weather, failure of equipment, boat handling errors, poor seamanship by other boats, loss of balance on an unstable platform and fatigue resulting in increased risk of injury. Inherent in the sport of sailing is the risk of permanent, catastrophic injury or death by drowning, trauma, hypothermia or other causes. The organizing authority will not accept any liability for material damage or personal injury or death sustained in conjunction with or prior to, during, or after the regatta. Each participant is responsible to ensure that he/she is covered by valid liability insurance. It is expected that all athletes and coaches attending this event will respect and adhere to the Sail Canada Discipline Code.
- 8.2 Approved PFDs or life jackets must be worn at all times while on the water, except briefly while changing clothing. A boat may not protest another boat for breaking this rule. This changes RRS 60.1(a).
