

Admiral's Cup regatta

August 29 to 30, 2026, Redberry Lake. 9 races over two days, scored on the Portsmouth Yardstick. Transcribed from the handwritten duty officer scoresheets.

RACES	ENTRIES	SCORING	WINNER
9	11	Low point, no discard	LP (41)

Overall standings

Points from all 9 races. Each day's column is that day's total and the place it earned within the day; the last column is the regatta.

ADMIRAL'S CUP, BOTH DAYS			
Boat	Saturday 5 RACES	Sunday 4 RACES	Regatta POINTS AND PLACE

65	Mark	ILCA 7	1103
67	Jake	ILCA 7	1103
68	Heather	ILCA 6	1156

* Experimental number. The RYA publishes it as a guide, not a settled figure.

Numbers are from the RYA Portsmouth Number List 2026, version 2, 19 February 2026. Scored on the RYA list rather than the North American one, because the US Sailing D-PN table has no 2.4mR and no Hansa 303 and so cannot rate this fleet without invented numbers.

Scoring notes

Corrected time is elapsed time $\times 1000 \div$ Portsmouth number. Places are scored low point with no discard, so all 9 races count. Ties are broken by RRS A8: the boat with more better places wins, and if that is still level, the last race decides.

Boats that did not come to the starting area score DNC, 12 points, one more than the 11 boats entered in the regatta, under RRS A5.2.

The first 3 races of each day count towards the summer series. They are marked in the tables above. The regatta standings on this page count all 9.

Mark (65) is scored 2:39:46 in Saturday's race 4. The race committee wrote the same finish time for Mark and Ilia (46) but noted that Mark crossed the line first, so one second was taken off Mark's time to reflect the order they actually finished in. It puts Mark second in that race and Ilia third.

Kryztle (49) sailed one lap in Saturday's races 2 to 5 where the rest of the fleet sailed two, so those four elapsed times are doubled to compare like with like.
